

Right Beside You (Instrumental)

Adriana Vitale

Right beside you here I am
I just wanna be with you, but
I am sorry baby that's not for so long.
Oh no. Right beside you waiting for
you to tell me what is wrong but
you don't want to talk about this thing at all.

Ohh I need to know right now

Noow

Noow

I need to know right now

Ooo

Ooo I'm Right Beside You

Yeah

I'm Right Beside You Right beside you here I am
I just wanna be with you, but
I am sorry baby that's not for so long. Right beside you waiting for
you to tell me what is wrong
you don't wanna talk about at all.

Yeah I need to know right now

Noow

Noow

I need to know right now

Ooo

Ooo I'm Right Beside You

Yeah

I'm Right Beside You I can't stay like this forever
waiting for you to tell me
Why I'm feeling alone
with you, oh So Tell Me

Tell Me

Tell Me

Hey So Tell Me

Tell Me

Tell Me

Ooo I'm Right Beside You

I'm Right Beside You

Right Right Beside You

Right Right Beside You
