Positive Reaction

M.A.N.D.Y.

I just want a reaction
a positive reaction!Reaction
a positive reactionGive me satisfaction
a positive reaction.Got this feeling that I can't explainGotta show me that you feel the same way.
Don't wanna let you make a fool of me.
You're playing hide and seek with my emotionBut I'm afraid of being too outspoken.
Just want a sign
be mine!I'm looking for reaction
a positive reaction
. . .I get the feeling I've been here beforeYou made me shiver when I first saw you.
Just one look is all it took.
I get the feeling maybe ypu don't careI've gone as far as any glrl would dare to.
Just want a sign
be mine!I'm looking for reaction
a positive reaction
. . .
Reaction
a positive reaction
. . .You know I want you
do you want me
too?
I need to hear just one word from you !
I need to know
do you feel the same way?
Do you feel the same way?
Just want a sign
be mine!I'm looking for reaction
a positive reaction
. . .
I'm looking for reaction
a positive reaction
. . .
