

# Lighter

## Walking Shapes

I don't want to fallâ€¢ any faster  
Than the world spinning roundâ€¢  
I've been washing down  
Take it as it comes, live life lighterâ€¢  
I donâ€¢t want to feel, not today. â€¢  
All my times a waste

Glitter and goldâ€¢ who do you want to be?â€¢  
Purple yellowâ€¢ how do you want to feel?â€¢  
Let it go

I donâ€¢t want to roll any faster  
Than the world spinning roundâ€¢  
Everyone come downâ€¢

People relax

Glitter and goldâ€¢ who do you want to be?â€¢  
Purple yellowâ€¢ how do you want to feel?â€¢  
Let it go

Who are you fooling, child?
