

Billie Jean

David Cook

She was more like a beauty queen from a movie scene
I said dont mind, but what do you mean I am the one
Who will dance on the floor in the round?
She said I am the one who will dance on the floor in the round
She told me her name was Billie Jean as she
caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round
People always told me be careful what you do
Dont go around breaking young girls hearts
My mother always told me be careful who you love
Be careful what you do cause the lie becomes the truth, yeah
Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one but the kid is not my son
For forty days and for forty nights the law was on her side
But who can stand when shes in demand, her schemes and her plans
Cause we danced on the floor in the round so take my strong advice
Just remember to always think twice, do think twice
She told my baby we danced til three
And she looked at me and showed me a photo
My baby cried, his eyes were like mine
Can we dance on the floor in the round?
People always told me be careful what you do
Dont go around breaking young girls hearts
But she came and stood right by me just to smell her sweet perfume
This happened much too soon she called me to her room
Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son, not my son
Billie Jean is not my lover
She is just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kids not my son, not my son
