## Jeff Tweedy

I should've been listening  
To every word you said  
Oh, what did I've been missing  
Wishing that you were dead  
I didn't mean to be so disturbing  
So far from home  
Oh, what did I've been learning  
By being all alone  
Every little thing  
Every little thing  
Every little thing  
(Is gonna)  
Just tears you apart  
Every little thing  
Every little thing  
Every little thing  
(Is gonna)  
Just tears you apart  
When, when we were younger  
Sleep while I'm awake  
I was trying to keep the door locked  
Now I realize that's a mistake  
Every little thing  
Every little thing  
Every little thing  
Is gonna  
Tear you apart  
Every little thing  
Every little thing  
Every little thing  
(Is gonna)  
Tear you apart  
Every little thing that you do  
Seems so much better than I could do  
Oh, I should've been listening  
To every word you said  
Every little thing  
Every little thing  
Every little thing

(Is gonna)  
Tear you apart  
Every little thing  
Every little thing  
Every little thing  
(Is gonna)  
Tear you apart  
(It's gonna)  
Every little thing  
(It's gonna)  
Every little thing  
(It's gonna)  
Every little thing  
(Is gonna)  
Tear you apart  
Every little thing  
(It's gonna)  
Every little thing  
(It's gonna)  
Every little thing  
(Is gonna)  
Tear you apart  
(It's gonna, it's gonna, it's gonna)  
Tear you apart  
(It's gonna, it's gonna, it's gonna)  
Tear you apart
