

# Give It Up (interlude)

## 98 Degrees

Hey, hey, yeah  
Now here's a story, one we both know  
About two people when they lost their self control  
If we're not careful it might be you and me  
When things are good you gotta let them be, oh  
Why you wanna play me around?  
Why you wanna mess with this love that we've found?  
Why you wanna tear us apart?  
If you're trying to break my heart you better give it up, give it up  
'Cause I'm not gonna take anymore  
Yeah, my heart has made mistakes like this before  
If you don't start treating me right  
I'm gonna give it up, give it up, give it up  
Starting with tonight, yeah, oh, oh baby, oh yeah  
Starting with tonight I'm gonna make it right, oh, oh yeah  
Why you wanna play me, play me around?  
Oh baby, calm down
