If I Die Tomorrow

[Motley Crue](#)

I wake up to find myself after all these years
And where all the time has gone still seems so unclear
'Cause there?s no one else since I found you
I know it's been so hard, you should know
If I die tomorrow as the minutes fade away
I can't remember, have I said, all I can say?
You?re my everything, you make me feel so alive
If I die tomorrow
It brings out the worst in me when you're not around
I miss the sound of your voice, this silence seems so loud
'Cause there?s no one else since I found you
I know it's been so hard you should know
If I die tomorrow as the minutes fade away
I can't remember, have I said, all I can say?
You?re my everything, you make me feel so alive
If I die tomorrow
I spent all my life looking for a real sense
I got nothing to lose, one thing to prove
I won't make the same mistakes
Now I know that everything will be okay
If I die tomorrow
If I die tomorrow as the minutes fade away
I can't remember, have I said, all I can say?
You?re my everything, you make me feel so alive
You?re my everything, you make me feel so alive
If I die tomorrow, if I die tomorrow
