

# Raven Of Dispersion

## Therion

Fly alone into the dark  
And the cloud of memory  
To see the world and angels  
Be hurled into the sea  
Of misery and cease to beBlack bird fly, rise very high  
To a place above the sky  
Take me away, lead astray  
Where I find another dayFly high to a place above the sky  
Fly away where I find another dayFly alone into the dark  
And the cloud of memory  
To see the world and angels  
Be hurled into the sea  
Of misery and cease to beBlack bird fly, rise very high  
To a place above the sky  
Take me away, lead astray  
Where I find another dayFly high to a place above the sky  
Fly away where I find another dayThe black bird carry me on its wings  
To a place beyond the flood of memory  
The raven of dispersion from  
A'arab Zaraq fly in ecstasy
