Every Day I Have the Blues

[Adam Gussow](#)

Everyady, day i have the blues
Everyday, day i have the blues
When you see me worrying, it's you i hate to lose
Everyday, day i have the blues
Everyday, day i have the blues
Well, When you see me worrying, it's you i hate to lose
Well, nobody loves me, nobody seem to care
I said nobody loves me, nobody seem to care
Bad luck and the trouble you know i've had my share
Everyday, day i have the blues
Everyday, day i have the blues
Well, When you see me worrying, it's you i hate to lose
Well i'm gonna pack my suitcase, move on down that line
Gonna pack my suitcase, move on down that line
Well i know you ain't-a worried, i know you ain't cryin
Everyday, day i have the blues
Everyday, day i have the blues
Well, When you see me worrying, it's you i hate to lose
I'm gonna play now
Let's go
Everyday, day i have the blues
Everyday, day i have the blues
Well, When you see me worrying, it's you i hate to lose
