

# Liquid Spirit (Claptone Remix Edit)

Gregory Porter

Un re-route the rivers  
Let the dammed water be  
There's some people down the way that's thirsty  
So let the liquid spirit freeThe people are thirsty  
'Cause of man's unnatural hand  
Watch what happens when the people catch wind  
When the water hits the banks of that hard dry land  
Clap your hands now  
Go 'head and clap your hands now  
Clap your hands now  
Go 'head and clap your hands no, hmmGet ready for the wave  
It might strike like the final flood  
The people haven't drank is so long  
The water won't even make mudAfter it comes, it might come with a steady flow  
Grab the roots of the tree  
Down by the river, fill your cup when your spirit's lowClap your hands now  
Go 'head and clap your hands now  
Clap your hands now  
Clap your hands nowDip down and take a drank  
And fill your water tank  
Dip down and take a drank  
And fill your water tankUn re-route the rivers  
Let the dammed water be  
There's some people down the way that's thirsty  
Let the liquid spirits freeThe folk are thirsty  
Because of man's unnatural hand  
Watch what happens when the people catch wind  
Of the water hitting banks of hard dry landClap your hands now  
Clap your hands now  
Go 'head and clap your hands now  
Clap your hands nowGet down and take a drink  
And fill your water tank  
Dip down and take a drink  
And fill your water tankLiquid spirit  
Liquid spirit  
Liquid spirit  
Liquid spiritClap your hands now  
Liquid spirit
