## Brian Kennedy

[Intro: Rick Ross] All I talk about is money

Cause that's all I know

[Hook: Rick Ross] I gotta a bad bitch in my Chevy  
Sellin Miley Cyrus in my brand new Monte Carlo

I got that Justin Bieber please believe it

A quarter million hangin' on my collar

A half a million in my duffle bag (duffle bag)

Now I'm riding in my Cadillac (Cadillac)

Hammers and the fucking vogues

I'm ridin' clean and I'm fuckin hoes (hah)

[Verse 1: Meek Mill] Okay I woke up this morning, tryna get this money

Ya'll niggas was yawning and I'd made it by 20

I got young boys on that corner, I call what you got for me

He say I done moved the whole thing, couple rocks all I got on me

I say yeah nigga it's go, he say yeah nigga we on

I said I be on my way, break a brick down in our zones

And I got work, I got work

And I got pills, and I got purp

And I got goons that's on my team

And they gon' kill like I got murked

If I say so, and I say go

And they go ham, and I lay low

I drop that work off in that toaster

I let go of my eggos

And this for sale nigga

28 grams on my scale nigga

Come and get it all

[Hook][Verse 2: Rick Ross] Hold on wait a minute

You got the realest and the richest niggas in the building

Feel me?

Hate the way a nigga love to ball
