

18 Days

Saving Abel

18 days
Since I had to look at myself
I dont wanna have to change
If I dont then no one will
Is it my state of mind
Or is it just everything else
I dont wanna have to be here
I dont understand it nowCause its been 18 days
Since I first held you
But to me it feels just like
It feels like a lifetime
Im trying hard to rearrange
Some say its the hardest thing to do
But thats another 18 days
Without you..Time after time
Ive been through this
You show me what it means to live
You give me hope when I was hopeless
As my days fade to night
I remember that state of mind
Im soaring straight into your heart
And Ill fly highCause its been 18 days
Since I first held you
But to me it feels just like
It feels like a lifetime
Im trying hard to rearrange
Some say its the hardest thing to do
[18 Days song text brought to you by LyricsYouLove]
But thats just too many days
Without youAnd I know what they say
About all good things
Will they come to an end
But Ill fight this time
So that we might
Have a chance at thisCause its been 18 days
Since I had to look at myself
I dont wanna have to change
If I dont then no one willCause its been too many days
Since I first held you

But to me it feels just like
It feel like a lifetime
Im trying hard to rearrange
Some say its the hardest thing to do
But thats just too many days without you And I know what they say
About all good things
Will they come to an end
But Ill fight this time
So that we might
Have a chance at this..
