Coming Home, Pt. II

Jackie Evancho

And the blood will dry
Underneath my nails
And the wind will rise up to fill my sailsSo you can doubt
And you can hate
But I know no matter what it takesI'm coming home, coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits and they've forgiven my mistakes
I'm coming home, coming home
Tell the world I'm comingStill far away
From where I belong
But it's always darkest
Before the dawnSo you can doubt
And you can hate
But I know no matter what it takesI'm coming home, coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits and they've forgiven my mistakes
I'm coming home, coming home
Tell the world I'm coming homeI'm coming home, coming home
Tell the world I'm coming home
Let the rain wash away all the pain of yesterday
I know my kingdom awaits and they've forgiven my mistakes
I'm coming home, coming home
Tell the world I'm coming home
