

# Twenty-Twenty Surgery

## Taking Back Sunday

I'll take with me every single luxury  
When I leave you can  
Count on me for that and nothing more  
(Count on me for that and nothing more)The view from this side's not what  
The view from this side's not what  
I thought it'd be, promise something different  
We close our eyes and let go of the wheelIt's not the quantity that bothers me  
(No, it's not the quantity that bothers me)  
No, it's not the quality that bothers me  
It's the meansTwenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of viewWell all young children listen  
'Cause they've got so much to learn  
(Turn it in, tune out)  
We'll get you home in time to make  
The rent should be for free for being meIt's not the quantity that bothers me  
(No, it's not the quantity that bothers me)  
No, it's not the quality that bothers me  
It's the meansTwenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of viewI do, I don't need you like you think  
I do, I don't, I don't need you like you think  
I do, I don't, I don't need you like you think  
I do, you don't, you just don't leave me aloneTwenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of view  
Twenty-twenty surgery, well, twenty-twenty surgery for cheap  
Dollar signs doll up a picture perfect point of viewYou're so sensitive, I am, I am a machine  
You're so sensitive, I am, I am a machine  
You're so sensitive, I am, I am a machine  
You're so sensitive, I am, I am a machine
