

# Bam Bam Bam

Elizabeth Gillies

Well, I've been thinking about the last weekend  
When we were alone  
I switched the lights  
But Mister Polite, you must have gone and left your eyes at home  
Making plans and holding my hand  
Sends shivers down my spine  
What's coming next?  
Oh, let me take a guess  
You want to know my sign?(Skip that!)  
Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
(Skip that!)  
Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-umIt's thirty-five  
It's raining outside  
Let's jump into your car  
Hide your keys  
Get down on your knees  
And I'll just sit back looking at the stars  
Oh god, I hate these dinner dates  
They're useless like your shirt  
So take it off  
Come under the cloth  
Oh, wake me for dessert(Skip that!)  
Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
(Skip that!)  
Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-umI don't want to listen to you talk  
I just want to la-la, love  
I don't want to take another walk

I just want to la-la, love(Skip that!)  
Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
(Skip that!)

Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
(Skip that!)

Let's bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um  
bam bam bam bad-um bad-um bam  
bam bam bam bam bad-um
