Blue Ice

Shout Out Louds

It hurts when I breathe
It hurts when I speak
You want everything I own
Everything you wantedI keep running away, running away, running away
You keep fading away, fading away, fading awayIt always ends in the same way
The sun gets in your eyes
I won't be surprised that next timeThese blue eyes came out of the blue
Out of the blue, blue, blueIt never gets old
It never changes
Does it
Airport to city
The moment is breaking my promise
So I keep drifting away, drifting away, drifting away
And you keep fading away, fading away, fading away
It always ends the same way
The sun gets in your eyes
I won't be surprised the next timeBut these blue eyes came out of the blue
Blue, blue, blueIt hurts when I breath
It hurts when I speak
Still want it
Everything I own
Everything you wantedI keep running away, running away, running away
You keep fading away, fading away, fading away,It always ends the same way
The sun gets in your eyes
I won't be surprised the next timeBut these blue eyes
It always ends in the same way
The sun gets in your eyesBut these blue eyes came out of the blueOut of the blue, blue, blue
Blue, blue, blue
