Lethal Bizzle

Are you afraid of heights? No.
Are you afraid of flights? No.
Are you afraid of full throttle on a super bike? No.
Are you vicious? No, superstitious? No
Would you trust your best friend with your missus? No.
You like the drum, uh huh
You like the bass, uh huh
When it drops do you pull a funny face, uh huh
Ye-ye-ye-yeah lucky I'm a front man
If i weren't I'd probably be a stuntmanBeat knockin', uh huh
Head boppin', uh huh
Don't know the day of the week but I'm rockin', uh huh
Feet stompin', uh huh
Knees lockin', uh huh
