Breathless

Jerry Lee Lewis

Now, if you love me
Let's please don't tease
If I can hold you then
Let me squeeze
My heart goes 'round and 'round
My love comes tumblin' down
You leave me breathlessWell, I shake all over and
You know why
I'm sure it's love and
That's no lie
'Cause when you call my name
You know I burn like wood inflamed
You leave me breathlessOh, baby, mm crazy
You're much too much
Honey, I can't love you enough
It's all right to hold me tight
But when you love me
Love me rightOh, come on, baby
Don't be shy
'Cause love was meant for you and I
Wind, rain, sleet or snow
I'm gonna be wherever you go
You have left me breathlessWell, it's all right to hold me tight
But when you love me
Love me rightOh, come on, baby
Don't be shy
Love was meant for you and I
Wind, rain, sleet or snow
I'm going to be wherever you go
You leave me breathless
