That's my motherfucking toy soldier  
I tell him pop that gat, he gonna pop that gatYou don't want to play with my toy soldier  
I say it's on then it's on until your life is over  
Fucking with my toy soldier, if he's a casualty of war  
Trust me I got more, you don't want it with my toy soldierNow listen up close and follow instructions  
Catch a nigga slippin' run up on them buck 'em  
I ain't got no conscience, no morals or nothing  
They ain't with us they against us we supposed to touch themHere's what to do if you see them approach me  
Pop that nigga I don't care if he know me  
Half the niggas hating on me use to be homies  
I don't trust them when they smile or playing 'cuz they phoneyEvery time I come around they call the police on  
me  
That's why the D's and the prisents know me  
They know about my rap shit, they know how I'll clap you  
Run like I'm in a track meet, swift with the Mac BCan see the envy in there eyes for sure man  
Mad as a motherfucker that I'm holdin'  
See me in the back of the phantom  
Quick to make examples out of niggas for sure man  
Hold me downI put that battery in his back  
I'm the reason why he moves like that  
That's my motherfucking toy soldier  
I tell him pop that gat, he gonna pop that gatYou don't want to play with my toy soldier  
I say it's on then it's on until your life is over  
Fucking with my toy soldier, if he's a casualty of war  
Trust me I got more, you don't want it with my toy soldierShoot, stab, kill motherfucker  
You ain't 'bout it, I don't want you around cocksucker  
Every word out my mouth is felt

That Uz I pop, them hollows so hot your ass will melt  
Barber razor in the club, stunt, ill give ya a shape up  
Have your ass stitch, gauged, your head all taped up  
Niggas know how I get down  
See they know when I'm around, my soldiers around  
And if some shit goes down and a nigga get laid down  
It's no surprise cause niggas know how we get down  
Black tints on the tested Rosta, hammer out the hosta  
Gat in my lap in case you gotta get clapped  
You monkey niggas went to my hood  
We on that guerrilla shit, you clap off and miss  
We come back and start killing shit  
Catch us on the corner wearing black chinchilla shit  
We organized, disciplined plus we militant  
I put that battery in his back  
I'm the reason why he moves like that  
That's my motherfucking toy soldier  
I tell him pop that gat, he gonna pop that gat  
You don't want to play with my toy soldier  
I say it's on then it's on until your life is over  
Fucking with my toy soldier, if he's a casualty of war  
Trust me I got more, you don't want it with my toy soldier  
Through the window into a mans soul  
Fill you with holes listen homes  
I'm the man for the job, we ain't playing  
Yayo, come on I'm in the coupe or phantom and the body kitted  
Waves in my hair looking like Tsunami hit it  
Niggas scheme the infrared beam on the mac  
I put green on your head like a Oakland A's Hat  
My boy was a douljah, now he's a soldier  
My little son Dula, lettin' off the Ruger  
In the whip mashed up looking for his enemies  
Riding and gassed up off double D batteries  
Tonights casualties is hooked to them Iv's  
That's when I squeeze, click clack take that  
Fall back, it's a contract 50 grand  
I'm 50's Man I put that battery in his back  
I'm the reason why he moves like that  
That's my motherfucking toy soldier  
I tell him pop that gat, he gonna pop that gat  
You don't want to play with my toy soldier  
I say it's on then it's on until your life is over  
Fucking with my toy soldier, if he's a casualty of war  
Trust me I got more, you don't want it with my toy soldier  
Ya, this is the general speaking  
When I say move, nigga you better move  
Soldier, I want nobody talking to none of my niggas  
Come around with here with their bullshit  
Trying to feed niggas bad information and shit  
That's how my toys malfunction
