Slow Jam

Usher

I was all alone, I was feelin' rather low
I needed someone to lift my spirits up
So I dropped in on a dance, just to take a glance
And there this lovely thing was, she was more than enough
I asked her for her hand, said would you like to dance?
So pleased that I had asked, she quickly took my hand
And we danced and fell in love on a slow jam ooooh
Play another slow jam, this time make it sweet
Wanna slow jam for my baby and for me
Play another slow jam, this time make it sweet
Wana slow jam for my baby and for me
Seems what you say is true, I feel the same way too
You see I've waited all night long just to dance with you
And when you touched my hand I knew you were the man
To turn my world around and make my dreams come true
The magic in your eyes, made me realize
That everything I feel has got to be real
And we danced and fell in love on a slow jam
Play another slow jam, this time make it sweet
Wanna slow jam for my baby and for me
Play another slow jam, this time make it sweet
Wana slow jam for my baby and for me
I've been trying to find someone who, I could give my good lovin' to
Never ever did I dream I'd find someone oh yeaaah
(MONICA)
And I've been trying to find someone too
I prayed to heaven then I found you
I swear I fell in love the night you danced into my heart
Play another slow jam, this time make it sweet
Wanna slow jam for my baby and for me
Play another slow jam, this time make it sweet
Wana slow jam for my baby and for me
Can I get a slow jam? Do you wanna slow jam, Baby?
Can I get a slow jam? Play another slow jam, Are you gonna slow jam?
Dance with me
Dance with me baby
