Get me outThe laughing dying culture pop
The famous moldy party hopThe point of view the bleeding heart
The easily digested hurtThe psychotronic talking box
The mainstream antidepressant
The silly putty tinker toy
The mirror ball reflects belowThe creepy crack head friend of mine
The homeless place he calls his thought
The silly putty tinker toy
The mirror ball reflects below
The grazing herd the lemming goat
The move toward the moving from
The winter home upon the hillThe summer shade a caving in
The psychotronic talking box
The mainstream antidepressant
The laughing dying culture pop
The famous moldy party hop
A fantasy the way it could
The shaping things a prostitute
A naked mix a magazine
A picture of us in a dream
The creepy crack head friend of mine
The homeless place he calls his thought
The silly putty tinker toy
The mirror ball reflects below
The grazing herd the lemming goat
The move toward the moving from
The winter home upon the hillThe summer shade a caving in
