

Good Morning Heartache

Hank Crawford

Good morning headache, you old gloomy sight
Good morning headache, thought we said goodbye last night
I turned and tossed until it seemed you had gone
But here you are with the dawn Wish I'd forget you, but you're here to stay
It seems I met you when my love went away
Now everyday I start by saying to you
Good morning headache, what's new Stop haunting me now
Can't chase you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues Good morning headache, here we go again
Good morning headache, you're the one who knew me when
Might as well get used to you hanging around
Good morning headache, sit down Stop haunting me now
Can't chase you no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues Good morning headache, here we go again
Good morning headache, you're the one who knew me when
Might as well get used to you hanging around
Good morning headache, sit down
