

All Hallows Eve

Grey Monday

Fall fires burn 'neath black, twisted boughs
Sacrifice to above
Smoke swirling quickly towards misting clouds
Offering of this blood Into the flames and without shame
Consumed with howls and screams
Pumpkins grin in their despair
On allHallows eve
Hallows eveCruel be the wind as it quells my words
I shout out to the rain
Incantations, I've so hope you've heard
That you live againFrom deep earth brings forth
Rebirth witness but I shant believe
From below, a chilling glow
On allHallows eve
Hallows eveBe spiderwebbed and glazed in frost
She wears death beautifully
More stunning now than in her life
On a bed of autumn leavesInto her eyes and quite surprised
I whispered, "Don't you leave"
Sing macabre songs an' we'll dance 'til dawn
On allHallows Eve
Hallows EveSaint Lucifer, hear me prayin' to thee
On this eve of all saints
High be the price but then nothing is free
My soul, I'll gladly tradeHallows Eve
Hallows EveCold is the night in so many ways
Lunar round, full and bright
Deep be the mud on the fresh dug graves
On yours, I reciteAn ancient spell, I know so well
Success is guaranteed
I'll bring you back from where you've gone
On allHallows Eve
Hallows EveSaint Lucifer, hear me prayin' to thee
On this eve of all saints
High be the price but then nothing is free
My soul, I'll gladly tradeHallows Eve
Hallows EveHallows Eve
Hallows Eve
