

# Laid

## Gonzalo Silva

Yeah, you hit me with your nightstick  
Yeah, you cut up all my clothes  
Lay here drunk until I get sick  
Lay down, why can't I let go?  
When I go back, it all goes black  
I feel the comatose  
It hurts so bad, I can't hold back  
Gently I should go  
I've been laid off, I've been laid on  
I've been shaken ever since you left  
And I've been laid on, I've been let down  
I can't get free since you laid on me  
(Hey, hey)  
Laid on me  
(Hey, hey)  
Laid on me  
You were led on a bed of roses  
Now I'm sucking on the thorns  
Lay low drowning in my sorrow  
I'm just a sucker for some more  
When I go back, it all goes black  
I feel the comatose  
It hurts so bad, I can't hold back  
Gently I should go  
I've been laid off, I've been laid on  
I've been shaken ever since you left  
And I've been laid on, I've been let down  
I can't get free since you laid on me  
(Hey, hey)  
Laid on me  
(Hey, hey)  
Laid on me  
The question is still and screaming  
Go back where my heart's still beating  
And right next to you, I'm dreaming  
Every night  
Night, night, night  
Night, night, night  
I've been laid off, I've been laid on

I've been shaken ever since you left  
And I've been laid on, I've been let down  
I can't get free since you laid on me  
(Hey, hey)  
Laid on me  
(Hey, hey)  
Laid on me  
(Hey, hey)  
Since you laid on me  
(Hey, hey)  
Laid on me
