

Family of Me

Ben Folds

How great I am
Gotta tell myself, yeah I'm the man
Looks grim right now
But pretty soon we'll be laughing about it
Ohh, and it's alright Yeah, it is, I swear you'll see
(It's not really)
Yeah, it's alright
'Cause I've always got my family of me It's not a first
(Might be the last)
Yeah I'm sure I must have been
Through worse, but Ohh, it's alright
Got a paddle and a creek
Yeah, and it's alright
'Cause I've always got my family of me
