

Tanto Tempo

Peter Kruder

(Lyrics by Bebel Gilberto) Ando tanto tempo a perguntar
Porque esperar tanto assim de algum
Percorrendo espaos no mesmo lugar
No sei a quanto tempo estou a te buscar Num segundo eu vou
Sabendo e percebendo o seu sabor
Sem ter medo estou
Correndo contra o vento sem nenhum ranc'r Ando tanto tempo a perguntar
Porque esperar tanto assim de algum
Sem saber
Sem qualquer medo de vr Translation: So Long I've been wondering for so long
Why to expect so much from someone
Running through spaces in the same place
I've been searching for you a long long time I am gone in a second
Knowing and learning your taste
Fearless I am
Running against the wind, holding no grudges I've been wondering for so long
Why to expect so much from someone
Without knowing
Without any fear to see
