

# Weight of the World

[Shane Nicholson](#)

Feels like the weight of the world,  
Like God in heaven gave me a turn.  
Don't cling to me, I swear I can't fix you.  
Still in the dark, can you fix me? Freefall, freefall, all through life. If you love me, then let go of me.  
I won't be held down by who I used to be.  
She's nothing to me. Feels like the weight of the world,  
Like all my screaming has gone unheard.  
And oh, I know you don't believe in me.  
Safe in the dark, how can you see?  
Freefall, freefall, all through life. If you love me, then let go of me.  
I won't be held down by who I used to be.  
If you love me, then let go of me  
I won't be held down by who I was If you love me, then let go of me  
I won't be held down by who I used to be
