Doyle

A Night has come,
The Shadows have grown,
We'll Scale the walls of the Funeral Home,
In the Dark of Night with no one in sight,
We'll taste a Thousand Forbidden Delights,

Get Ready for a Night in Heaven,
Through the Gates of Hell,
I'm Sanctified in Blood of a Fallen Angel,

SEX in the Cemetery all through the Night,
Making Love among the Dead is the only time that I feel Alive,
SEX in the Cemetery until the Morning Light
Making Love among the Dead is the only time that I really feel Alive,

In the Cold of Night I feel my Temperature rise,
I can feel my Soul start sweating,
There's a taste in the Air, Supernatural Glare
From the Oldest Rituals Opening.

I am the Son of the Endless Light,
I am the Father of Passion,
When you feel the Rush,
Look Deep inside and know the Demonic Contractions.

(x2)

SEX in the Cemetery all through the Night,
Making Love among the Dead is the only time that I feel Alive,
SEX in the Cemetery until the Morning Light
Making Love among the Dead is the only time that I really feel Alive,

SEX

All the Gravelettes in the Air
Cemetery Love Affair is Sex.
Cemetery Sex.

This the only way I know how to Die among the grave as we lullaby of Sex

Cemetery Sex.
