## Common

We got to be, we got to be  
We got to be, I want to be  
We got to be, yes, it's for the people  
God moves, yeah I was rollin' around, in my mind it occurred  
What if God was a her?  
Would I treat her the same? Would I still be runnin' game on her?  
In what type of ways would I want her? Would I want her for her mind or her heavenly body?  
Couldn't be out gettin' bogus with someone so godly  
If I was wit' her would I still be wantin' my ex?  
The lies, the greed, the weed, the sex Wouldn't be ashamed to give her part of my check  
Wearin' her cross, I mean the heart on my neck  
Her I would reflect on the streets of the Chi'  
Ride wit' her, 'cause I know for me she'd die Through good and bad call on her like I'm chirpin' her  
Couldn't be jealous 'cause other brothers worship her  
Walk this earth for her, glory, I'm grateful  
To be in her presence, I try to stay faithful We got to be  
We got to be  
We got to be  
I'd like to be her very best friend He worked with her, she was his lady's best friend  
Even if they don't try, some ladies test men  
And this was a test that was bigger than him  
Some believe it's the nature that is given to men He had a good gig, a wife, a kid, a decent home  
One reason or another couldn't find peace at home  
She asked, "Why do men always have to stray?"  
He said, "I'm bad, not as bad as Eric Benet" "I used to take 'em out to eat but they wasn't really eatin'  
Mighta got a little head but I wasn't really cheatin'"  
It's hard when your lady don't believe what you say  
And what you did in the past you gotta live with today She asked if they could spend the night together  
He thought, and said, "I'm tryin' to get my life together"  
Went home to his lady, these were his confessions  
"Baby, you a blessin' and my best friend" We got to be  
We got to be  
We got to be  
I'd like to be her very best friend Faithful to the end  
Faithful to the end  
I'm gonna be, I'm gonna be, I'm gonna be so faithful  
I'm gonna be, I'm gonna be so faithful So, so, so, so, so, so, so, so faithful  
So, so, so, so, so, so, so, so faithful  
So, so, so, so, so, so, so, so faithful

So, so, so, so, so That's what I'm gonna do, faithful to the end  
That's what I'm gonna do, faithful to the end  
That's what I'm gonna do, faithful to the end  
Yeah, yeah, yeah, yeah
