

Duet With Myself

Charlie McDonnell

I am you. You are me.
Together we make a perfect Charlie.
And when Iâ€™m feeling down.
We know that we will always be around.

Our relationship is complicated.
Sometimes itâ€™s hard to remember.
That your even there.

But when I feel Iâ€™m being hated.
Feeling lonely in December.
Facing hardships that we canâ€™t bear.

Youâ€™ll help me come through the other side.
You build up my confidence and raise my pride.
Together thereâ€™s nothing that we cant face.
Just as long as we embrace our self.

Itâ€™s just a shame that I hate you.
Oh. Oh. I hate you.

Youâ€™re insufferable.
Your acnes terrible.
Your sunny disposition is completely unbearable.
And worst of all youâ€™ve got no friends their just on the internet.

Youâ€™re a waist of space.
Youâ€™ve got no life.
Got a mole on your face.
You should take a knife to your head.
And do it before I do it instead.

Youâ€™re not that perfect either mate.
In fact your way to easy to hate.
What nineteen year old canâ€™t get a date?
I guess itâ€™s fate that youâ€™ll never find a soul mate.
Youâ€™re going to die alone.
On your own making crappy YouTube videos.

I am you. You are me.

Together we make a
Spotty, Unfit, Neurotic,
Unfunny, Forgetful, Weedy
Charlie

And when Iâ€™m feeling down.
We know that we.
Will only ever have each other around.

Our relationship is complicated.
Sometimes itâ€™s hard to remember.
That your even there.

But when I feel Iâ€™m being hated.
Feeling lonely in December.
Facing hardships that we canâ€™t bear.

Youâ€™ll help me come through the other side.
You build up my confidence and raise my pride.
Together thereâ€™s nothing that we cant face.
Just as long as we embrace our self.

You know that I really really really love you.
Woah. I really love you too.
Yeah. Even though itâ€™s vain
I think we feel the same.
You need to be able to love yourself
But not in that way

What way?

giggle
