

DEAD TO ME

blackbear

[Intro]

La-da-da-da-da, yeah, uh[Verse 1]

Dead to me

Even if you're still alive

It's a mess to me, so rest in peace

You're dead to me

Left me here with nothing, took the best of me

Left my destiny

[Pre-Chorus 1]

Six feet under the ground, you turned it around on me

And left me with the cold pillow on your side

No phone call, didn't write

Wrong place, wrong time, let it die

Told my friends wouldn't let it get to me

Now it's pressin' on me

When I open my phone

Go to camera roll, scroll, scroll, scroll[Chorus]

Somebody that I used to know is dead to me

Think less of me, you're dead to me

I don't want anything to do with you

I'm through with you

You're dead to me, and I'm dead to you

[Verse 2]

You're dead to me, and I'm still alive

Now we're enemies, let me rest in peace

You're dead to me

Got me sick to my stomach, you got the best of me

Let your text turn green[Pre-Chorus 2]

I'm six feet under the ground, you turned it around on me

Had me thinking that I never really tried

If you told me that you loved me, then you lied

Wrong place, wrong guy, let it die

Told my friends wouldn't let it get to me

Now I see you in my dreams

And the pills won't work

You hate me I'm the worst

It hurt, hurt, hurt[Chorus]

Somebody that I used to love is dead to me

Think less of me, you're dead to me

I don't want anything to do with you
I'm through with you, you're dead to me
And I'm dead to you
You're dead to me, think less of me
You're dead to me
I don't want anything to do with you
I'm through with you, you're dead to me
And I'm dead to you
You're dead to me[Outro]
I'm dead to you, you're dead to me, I'm dead to you (Dead)
You're dead to me, and I'm still alive
It's a mess to me, let me rest in peace (Dead)
