

# Sillynaggers of the Quantum Foam

## They Ate Isengard

Oh what have I done  
I'm broken  
Oh, what have I done  
You broke me In my arms I have the power,  
I can bring eternal of thee I can't stand to see you cry  
I can't stand to see you cry  
(In my arms I have the power,  
I can bring eternal of thee)
