

# Heart To Heart

Aldo Nova

There's a girl in the street  
You should see the tears in her eyes  
'Cause she weeps, for a man who told her lies  
And the man that she loved  
Left here for somebody new  
And the girl, she dreams  
That if only they could've seen Heart to heart, oh, Eye to eye  
Love is a lie  
Heart to heart, oh, Eye to eye  
Love is a lie  
One day he's gonna pay There's a man down the street  
You can't see the pain in his heart  
And he weeps, for a love that he has lost  
And the man left a love  
To go and find somebody new  
Like the girl in his dream  
Now if they only could've seen Heart to heart, oh, Eye to eye (A)  
Love is a lie  
Heart to heart, oh, Eye to eye  
Love is a lie  
One day she's gonna pay  
One day she's gonna pay
