JEM

I'll dust you off like powder, powder  
I'll dust you off like powder, powder  
you're just some dirt on my sleeve,  
Ill dust you off like powder,  
powder  
uh uh, uh uh, uh uh, uh uh,  
oh girl you dusty, yeah I'm sick of the way you look,  
kind a like you rusty, you rusty  
baby don't cling on too long, don't try to love me,  
don't hug me, yeah I know we had a thing  
but I'm thinking fuck it, you play the game so well, but that aint gonna cut it, No!  
cause I know how to cheat the game, yeah I know how to beat the pain  
Watch out, watch out. cause i uh, i can't be tamed, cause Im crazy  
Im cool, but I can't be with no fool, and I don't think you quite know what I can do...  
I'll dust you off like powder, powder  
you don't mean a thing to me  
I'll dust you off like powder, powder  
you're just some dirt on my sleeve,  
Ill dust you off like powder, powder,  
no one will loose any sleep  
I'll dust you off like powder, powder  
you're just some dirt on my sleeve,  
Ill dust you off like powder,  
Ill dust you off like powder, Ill dust you off like powder, hey, walk tall while you got the chance  
I don't want that bad romance  
you have a way with words but i found out who you really were  
yeah i miss that body, but this aint no la ti da dee  
not a one hit wonder, strike like thunder, damn I'll dust you off like powder, powder  
you don't mean a thing to me  
I'll dust you off like powder, powder  
you're just some dirt on my sleeve,  
Ill dust you off like powder, powder,  
no one will loose any sleep  
I'll dust you off like powder, powder  
you're just some dirt on my sleeve,  
Ill dust you off like powder,  
powder  
Ill dust you off like powder,  
Ill dust you off like powder,

Ill dust you off like powder,  
Ill dust you off like powder,  
baby you're too musty/?  
yeah you're way too rusty  
I know we had a thing but Im thinking fuck it  
baby you're too musty/?  
yeah you're way too rusty, I miss that body  
but Im thinking fuck it  
Powder  
Ill dust you off like powderi miss the body but I'm thinking fuck it  
powder  
powder  
ill dust you off like powder
