Stomach Tied In Knots

Sleeping With Sirens

Oh, my stomach?s tied in knots I?m afraid of what I?ll find if you want to talk tonight 0000 0000 See the problem isn?t you, it?s me I know I can tell, I?ve seen it time after time And I?ll push you away (mmm) I get so afraid, oh, no And I can't live without you now Whoa-oh-oh I can?t even live with myself Uh-uh-uh And I can't live without you now Whoa-oh-oh And I don?t want nobody else I only have myself to blame But do you think we can start again? 'Cause I can't live without you All my stomach?s tied in knots I?m afraid of what I?ll find if I see you with him tonight O000 O000 See problem isn?t you, it?s me I know I do this every single time I?ll push you away (ooh) I get so afraid, oh, no And I can't live without you now Whoa-oh-oh I can?t even live with myself And I can't live without you now Whoa-oh-oh And I don?t want nobody else

I only have myself to blame But do you think we can start again? I only have myself to blame But do you think we can start again? I only have myself to blame But do you think we can start again? I only have myself to blame Let's start again

Let's start again I can't live without you Oh-oh And I can't live without you now Oh-oh I can't even live with myself Oh-oh-oh I can't live without you now Oh-oh And I don't want nobody else Oh-oh-oh 'Cause I can't live without you now Oh-oh I can't even live with myself Oh-oh And I can't live without you now Oh-oh 'Cause I don't want nobody else Nobody else Nobody else I can't live without you Oh oh
