

Not in Love

Natalia Kills

Thought the cupid shot me with love
It was only an arrow
Just 'cause we in deep doesn't mean
We can't enjoy the shallow
Never gonna make me want it
Make me want it more than fun
If you wanna be the one
Be the one just for now But were not in love
No matter what
It's not enough were not in love
It's not enough were not in love It's not enough
Were not in love
It's not enough
Were not in love Staring at the stars
Got the lights dimmed
To feel a connection
(the stars above, staring at the stars above)
Broke a couple hearts
But I'm not trying
To start a collection
(no were not in love)
(honey, girls don't fall in love)
Never gonna make me want it
Make me want it more than fun
If you wanna be the one
Be the one just for now But were not in love
No matter what
It's not enough were not in love
It's not enough were not in love
It's not enough
Were not in love
It's not enough
Were not in love Were not in, trust me
Were not in, trust me
Were not in, trust me
Were not in, trust me Never gonna make me want it
Make me want it more than fun
If you wanna be the one
Be the one just for now But were not in love

No matter what
It's not enough were not in love
It's not enough were not in love
It's not enough
Were not in love
It's not enough
Were not in love
