

Women In Love...

Van Halen

My heart, you're breakin' my heart
Girl, you better start thinkin' somethin' real
Seems like loving you is just a crazy dream,
But do as you feel
All these crazy women,
One more crazy night
But one night's all we're given,
So, baby, leave me alone, or, baby, stay the night
(Oh, women in love)
Oh baby, make up your mind
(Make up your mind)
I know you're in love
So, baby, make up your mind (women in love)
Scream, go on and scream that your love is all you're knowin'
But, honey, if you're needing a woman just as bad as me,
You ought to be goin' All these crazy women,
One more crazy night
But one night's all we're given,
So honey, leave me alone, or baby, stay the night
All these crazy women
(Ah just) one more crazy night
But one night's all we're given,
So honey, leave me alone, or baby stay the night
(Oh, women in love)
Oh baby, make up your mind
(Make up your mind)
I know you're in love (women in love)
And I know you're in love (women in love)
I know, I know Oh yeah
This woman in love
In love
In love
Oh yeah
Ah ah han
Han han han
Oh yeah
Wow
Oh yeah
Oh yea hey
