

Hawaii Dream

Mew

No more stories, no more stories, no more stories, no more stories
Are told today, told today, told today, told today
I'm sorry, I'm sorry, I'm sorry, I'm sorry
They washed away, washed away, washed away, washed away

No more stories, no more stories, no more stories, no more stories
The world is grey, world is grey, world is grey, world is grey
I'm tired, I'm tired, I'm tired, I'm tired
Let's wash away, wash away, wash away, wash away
No more stories, no more stories...
