

# Guys Eyes

## Animal Collective

I really want to do just what my body wants to  
I really want to do just what my body needs to  
If I could just hold all the thoughts in my head and keep them for you  
I really want to show to my girl that I want her  
If I could just purge all the urges that I have and keep them for you  
I really want to show to my girl that I need her  
If I could just hold all the thoughts in my head and keep them for you  
I really want to do just what my body wants to  
If I could just purge all the urges that I have and keep them for you  
I really want to do just what my body needs to  
If I could just hold all the thoughts in my head and keep them for you  
I keep it locked right now  
I really want to show to my girl that I want her  
If I could just purge all the urges that I have and keep them for you  
I keep it locked right now  
I really want to show to my girl that I need her  
If I could just hold all the thoughts in my head and keep them for you  
Need her I want to do just what my body  
needs to (2x)  
If I could just hold all the thoughts in my head and keep them for you  
I want to show to my girl that I need her (2x)  
If I could just purge all the urges that I have and keep them for you  
I keep it locked right now So I used my mind  
And I used my hand  
It was what I want to do  
I really don't know what to do if my body should want to  
What I want
