

New Flesh

Fuzz

Light the fuses
Drink the ashes of flesh
Guard the futures
From the cybernetic masses
Cretins callings
Living life inside spaces
The dark patroller
Cleaner of this wasteland
After ships have sung
Our history undone
Our conscious mind now one
Living cells are gone
Cells are gone
Always searching
For our fleshy existence
For to feel
Is the new resistance
Feel no pain
Feel no sadness
In this world
Where living is lifeless
After ships have sung
Our history undone
Our conscious mind now one
Living cells are gone
Cells are gone
