

# Hennessy & Sailor Moon (feat. Bladee)

## Yung Lean

love how she dancing, got me fiending for you  
You say that you love me, I don't know if it's true  
When I go to sleep all I ever see is you  
I can be your savior, everything that we've been through  
I love how she dancing, got me fiending for you  
You say that you love me, I don't know if it's true  
When I go to sleep all I ever see is you  
I can be your savior, everything that we've been through I be grinding making money, it's for me and you  
I love the way you dancing and your top is see through  
We can go up to the stars, see clouds and fall through  
Money in my pocket and you know I want you  
I've been busy, got so much work, I can't always be with you  
Percocets my system, when I go to sleep I know it's you  
When I was in the hospital I saw you  
I know what you're feeling inside cause I feel you  
I gotta stay true, my money rain blue  
Hennessy and Sailor Moon, I just wanna be with you  
I know what you're feeling inside cause I know I feel you  
My money rain blue, Hennessy and Sailor Moon I love how she dancing, got me fiending for you  
You say that you love me, I don't know if it's true  
When I go to sleep all I ever see is you  
I can be your savior, everything that we've been through  
I love how she dancing, got me fiending for you  
You say that you love me, I don't know if it's true When I go to sleep all I ever see is you  
I can be your savior, everything that we've been through She shouldn't have to ask, whatever she wants  
I stay up 'till dawn, barbwire on my arm  
They won't see me fall, they won't see me fall  
I don't care at all, I'm a young rockstar  
Living in the dark, living in the dark  
Leandoer the God, we've been going hard  
Ever since she called, I don't have a heart  
I went to the stars  
What you want from me? I can get it for you  
Get it for you  
You don't want me, do you?  
You don't want me, do you?  
Know what I'll do to you I love how she dancing, got me fiending for you  
You say that you love me, I don't know if it's true  
When I go to sleep all I ever see is you

I can be your savior, everything that we've been through

I love how she dancing, got me fiending for you

You say that you love me, I don't know if it's true

When I go to sleep all I ever see is you

I can be your savior, everything that we've been through
