

# Nature Walk

## The Bossy Frog Band

I'm walking through nature  
One, two, three  
Won't you take a nature walk with me?  
I'm walking through nature  
In the green country  
Won't you take a nature walk with me?  
Walk through the forest  
Walk around the trees  
Over a river  
Won't you take a walk with me?  
Walk over a mountain  
Walk around a beach  
Won't you take a nature walk with me?  
I'm jumping through nature  
One, two, three  
Won't you take a nature jump with me?  
I'm jumping through nature  
In the green country  
Won't you take a nature jump with me?  
Jump through the forest  
JUmP around the trees  
Over a river  
Won't you take a jump with me?  
Jump over a mountain  
JUmP around a beach  
Won't you take a nature jump with me?  
I'm tip toeing through nature  
One, two, three  
Won't you take a nature tip toe with me?  
I'm tip toeing through nature  
In the green country  
Won't you take a nature tip toe with me?  
Tip toe through the forest  
Tip toe around the trees  
Over a river  
Won't you tip toe with me?  
Tip toe over a mountain  
Tip toe around a beach  
Won't you take a nature tip toe with me?

I'm walking through nature  
One, two, three  
Won't you take a nature walk with me?  
I'm walking through nature  
In the green country  
Won't you take a nature walk with me?
