Babylon

Scars on Broadway

Running to Babylon
Run all the way to Babylon
Meet you there in Babylon
Meet you there in BabylonRunning to Babylon
Run all the way to Babylon
Meet you there in Babylon
Meet you there in BabylonMarooned again, you were the one that threw me into life
Marooned again, you were the one that looked through the sadder light
I liked the way we slept on rooftops in the summertime
If we were all marooned again, I'd give my soul to save youMarooned again, you were the one that put me in defense
Marooned again, you were the one that took my confidence
I liked the way we slept on rooftops in the summertime
If we were all marooned again, I'd give my soul to save your life
