

Rob the Bank

Placebo

Rob the bank
Of England and America
Rob the bank
Of the entire euro zoneRob the bank
Of Mexico and Canada
Rob the bank
Then take me home
But take me home[Chorus]
Make love
Make love
Make love
Make loveRob the bank
Make a joke of your dyslexia
Rob the bank
Then pick your noseRob the bank
Paint a picture of a swastika
Rob the bank
Then take me home
But take me home[Chorus: x2]
Make love
Make love
Make love
Make loveEver I suspect
And then you have to go somewhere else
Of you I'm thinking
But maybe you won't of me around
And if ever you conspire to rule another
I will not be forsaken
You worry though we had enough of you and me
Of fire and scorn
Scorn!Rob the bank
Of Luxemburg and Monaco
Rob the bank
Of Lichtenstein and RomeRob the bank
Hit the biggest volt in Moscow
Rob the bank
Then take me home
But take me home[Chorus: x2]
Make love

Make love

Make love

Make love
