

# I'll Be Missing You (FT. Faith Evans & 112)

## Puff Daddy

Seems like yesterday we used to rock the show  
I lace the track you lock the flow  
So far from hanging on the block of dough  
Notorious they got to know that  
Life ain't always what it seem to be  
Words can't express what you mean to me  
And though you're gone  
We still a team  
Through your family I'll fulfill your dreams  
In the future can't wait to see  
If you'll open up the gates for me  
Reminisce sometime  
The night they took my friend  
Try to black it out but it plays again  
When it's weird feelin' it's really hard to conceal  
Can't imagine all the pain I feel  
Give everything to hear half your breath  
I know you still livin' your life after deathEvery step I take  
Every move I make  
Every single day  
Every time I pray  
I'll be missing youThinking of the day  
When you went away  
What a life to take  
What a bond to break  
I'll be missing youIt's kind of hard wit you not around  
Know you in heaven smilin' down  
Watchin' us while we pray for you  
Everyday we pray for you  
'Till the day we meet again  
In my heart is where I'll keep you friend  
Memories give me the strength I need to proceed  
Strength I need to believe  
My thoughts big I just can't define  
Wish I could turn back the hands of time  
Bust in the six  
Shop for new clothes and kicks  
You and me taking flicks  
Making hits stages they receive you on

Still can't believe you're gone  
Give anything to hear half your breath  
I know you still livin' your life after death  
Every step I take  
    Every move I make  
    Every single day  
    Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
    What a life to take  
    What a bond to break  
I'll be missing you  
Somebody tell me why  
    On that morning  
When this life is over  
    I know  
I'll see your face  
Every night I pray  
    Every step I take  
    Every move I make  
    Every single day  
    Every night I pray  
    Every step I take  
    Every move I make  
    Every single day  
    Every time I pray  
    Every step I take  
    Every move I make  
    Every single day  
    Every night I pray  
    Every step I take  
    Every move I make  
    Every single day  
Every time I pray  
Every step I take  
    Every move I make  
    Every single day  
    Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
    What a life to take  
    What a bond to break  
I'll be missing you  
Every step I take  
    Every move I make  
    Every single day  
    Every time I pray  
I'll be missing you  
Thinking of the day  
When you went away  
    What a life to take

What a bond to break  
I'll be missing youEvery step I take  
    Every move I make  
    Every single day  
    Every time I pray  
I'll be missing youThinking of the day  
    When you went away
