

This Is It (with Michael Jackson)

Paul Anka

One, two, three, four
This is it, here I stand
I'm the light of the world
I'll feel grand
Got this love, I can feel
And I know, yes for sure
It is real And it feels as though I've seen your face one thousand times
And you said you really know me too yourself
And I know that you have got addicted with you eyes
But you say you're gonna leave it for yourself
Oh
I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on baby just understand This is it
I can say
I'm the light of your world
Run away
We can feel
This is real
Every time I'm in love that I feel And I feel as though I've known you since a thousand years
And you tell me that you've seen my face before
And you said to me that you don't want me hanging around
Many times wanna do it here before
Oh yeah
I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on baby just understand This is it
I can feel
I'm to light up the world
This is real
Feel my song
We can say
And I tell you can feel that way And I feels as though I've known you for a thousand years
And you said you saw my face yourself
And you said want to go with you on a while
And I know that it's really for myself
Oh yeah

I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on please dear understand I never heard a single word about you
Falling in love wasn't my plan
I never thought that I would be your lover
Come on dear please understand
Oh yeah I never heard a single word about you
Falling in love wasn't my plan
