Take Control

Destorm

How you smell so good
How you look so great
How we both get along
How we all relate
If I'm the only one left(left)
Doesn't mean am right(right)
Got you all to myself
I want you all night
She like a little ghetto(ghetto)
But not too much hood(hood)
You gat to be hard
And upto no good
She gat the new job(job)
Gat the new legs(legs)
Broke a few hearts
