

Like That

JoJo

Caught in a maze
I can't find my way back
But I'm trippin'
I love how you do me like thatA week is so long
I don't know how to act
Promise me when I see you
You do me like thatCaught in a maze
I can't find my way back
But I'm trippin'
I love how you do me like thatA week is so long
I don't know how to act
Promise me when I see you
You do me like thatOh, you waitin' right in front of me
No, it won't be long before you have to go
I think I'm ready to make this thing official
'Cause I don't wanna lose youI'm wantin' it, I know you want it too
Come on, let's go, you know just what to do
So don't waste no time 'cause right now
There's only one way to find that outCaught in a maze
I can't find my way back
But I'm trippin'
I love how you do me like thatA week is so long
I don't know how to act
Promise me when I see you
You do me like thatCaught in a maze
I can't find my way back
But I'm trippin'
I love how you do me like thatA week is so long
I don't know how to act
Promise me when I see you
You do me like thatIt's stormin', at least wait 'til the rain stops
If ya leave, there'll be no one to keep me warm here
You make me wanna ooh
I never woulda called if I wasn't tryna see youI'm wantin' it, I know you want it too
Come on, let's go, you know just what to do
Don't waste no time 'cause right now
There's only one way to find outCaught in a maze
I can't find my way back
But I'm trippin'

I love how you do me like that A week is so long
I don't know how to act
Promise me when I see you
You do me like that Caught in a maze
I can't find my way back
But I'm trippin'

I love how you do me like that A week is so long
I don't know how to act
Promise me when I see you
You do me like that I know I've never said this
I know I wasted time
All the things that we can do
On my mind Many say they want it
But I waited for you
It's you that I adore for real
You wanna know the truth
'Cause I adore what you do Caught in a maze
I can't find my way back
But I'm trippin'

I love how you do me like that A week is so long
I don't know how to act
Promise me when I see you
You do me like that Caught in a maze
I can't find my way back
But I'm trippin'

I love how you do me like that A week is so long
I don't know how to act
Promise me when I see you
You do me like that Do me like that, yeah
Promise me
