Give War a Chance

Stuck Mojo

All in the name of warWe crave it, we need itWe watch it on our TV setsWe wage it, we breed itThen spilling blood with no regretsSenorita glad to meet ya'
We kill your people as we greet ya'Our wars define our place in timeResolved by feud for all mankindMan's destinyMan's sufferingFuck it!
Give war a chanceEmbedded internal
We know that it's our destinyInternalized paralyzeThe thirst for war, the killing seedIn the jungle by the riverDeath for saleWe will deliverOur wars define our place in time
Resolve by feud for all mankind
