

Crown (feat. Mike Posner & Boaz Van de Beatz)

Diplo

I can't wait to try on the crown
I know my ma is gonna be real proud
I told my crew I'm bout to shut shit down
We do it big when I get back in townHey ho, hey ho I'mma be the king soon
Hey ho, hey ho I can't wait to be kingShut shit down
Shut shit down
Shut shit down
Shut shit down
Shut shit down
Shut shit down
I can't wait to be kingI can't wait to try on the crown
I know my ma is gonna be real proud
I told my crew I'm bout to shut shit down
We do it big when I get back in townHey ho, hey ho I'mma be the king soon
Hey ho, hey ho I can't wait to be kingShut shit down
Shut shit down
Shut shit down
Shut shit down
Shut shit down
Shut shit down
I can't wait to be kingHey ho, hey ho I'mma be the king soon
Hey ho, hey ho I can't wait to be kingHey ho, hey ho I'mma be the king soon
Hey ho, hey ho I can't wait to be kingDon't worry 'bout them angry faces
They just hatin'
I keep enough blue jewels to cool off the nationDon't worry 'bout them angry faces
They just hatin'
I keep enough blue jewels to cool off the nationHey ho, hey ho I'mma be the king soon
Hey ho, hey ho I can't wait to be king
